Class Rules

1. Be **RESPONSIBLE** for your own learning.
2. **RESPECT** – the teacher, the classroom, other students.
3. **PUT AWAY** your personal electronics.
4. Be on-time, on-task & prepared to learn **EVERYDAY!**
5. **SOLVE** your problem.

Grading Policies

Late/Missing Work – a student has two weeks to make up a late or missing grade. ***After that the grade will remain a zero and cannot be made up!*** It is the student's responsibility to ask the teacher for make-up/missed work.

Retakes – Retakes on a test are offered for students who really are struggling with concepts, not just who didn't study. ☺ Students need to *schedule* a retest with the teacher and have attended at *least one* tutoring session. Retakes must be taken within 5 days.

Outside Reading

This year the students will be expected to read a book ***OUTSIDE*** of class each nine weeks. The book will be assigned by the teacher and will require a completed "project." More info coming soon!

I have read and understood the 8th Grade ELAR policies! I am excited about this year and promise to do my very best!
