

Word Play 06

Name _____ Period 2 3 4 5 6 7 8

- Skill - 7:19 A - Student will identify parts of speech.
- Skill - 7:20 A Student will understand rules of capitalization.
- Skill - 7:20 B Student will understand rules of punctuation.

Identify the **part of speech** or the rule of **capitalization** or **punctuation** that is shaded.
For pronouns you must list the antecedent (noun being renamed).
For prepositions you must list the object of the preposition.

Ex: The old panther growled fiercely and he leapt on the deer.
Answers :
a) use a comma and a conjunction prevent a run-on sentence
b) pronoun - panther
c) preposition - deer

Last Tuesday, I read A Snake Lover's Diary, a book written by Barbara Brenner, for my science report. Wow! I found out the snake has clear scales to cover their eyes. Snakes don't have actual eyelids.

1. _____
2. _____
3. _____
4. _____

Before we dissected a snake, our class didn't know anything about the snake's backbone, heart, or stomach. Even though we knew the snake's body was long and thin. We were still surprised that the liver, heart, and other internal organs are long and thin, also.

5. _____
6. _____
7. _____
8. _____

Alison is it true that snakes live almost everywhere on the earth? Yes, they're one of the world's largest groups of animals. There are about 2,700 different kinds that live on the ground, in the trees, or in the water.
