What's in a Name?

Homework Due: Thursday, April 30

(You may bring in early so you can complete this page in your AAM book!)

Please ask your parents the following questions. When your parents answer the questions, be sure to write the information in complete sentences. You will want to **add as much detail as possible** so you will have enough information to be able to write an expository piece at school to go in your All About Me Book.

1. How did you choose my name?
2. Do I have any nicknames?
3. Were there any other names you were thinking about using?
4. Is there any other information about my name that you can tell me?
5. What is the origin of my full name? Here is a website for you to use:
