This week we will continue with our study of fractions. We will be exploring relationships among fractions as well as making them. We will be using a lot of hands on materials to see the relationships. We will be covering equivalent fractions as well. On Thursday of next week we will be having our 1<sup>st</sup> 9 weeks district math assessment.

## Science

This week we are finishing up our unit on matter. We will also be reviewing what we have learned and taking the district matter assessment.

In writing we will be reviewing words nouns: common and proper, singular and plural. We will be writing stage directions for the readers' theater play of Charlotte's Web!

## Reading

We will continue our metacognitive strategy of visualizing but with drama this week. We will be learning parts of a play and adding our own stage directions. On Tuesday of next week we will be having our 1<sup>st</sup> 9 weeks district reading assessment.
