

2nd Grade News

Week of August 29 - September 4

IMPORTANT INFO

* School begins at 8:00 am we have began our "Kiss them, and drop them off" routine where kids will be dropped off by the wolf den and walk to the gym until their teachers pick them up.

* For the first two weeks, we ask that you not visit your child during lunch, so we may get our routines set for the year.

*Please be patient during dismissal to ensure all students get home safely while we get the whole learning community used to our end of day procedures. Please remember all parent walk ups are in the back of the school; front drive will be for car rider only; If you need to pick up your student early, we ask that you do so before 2:15 with proper ID or your pick up cards.

* For your student's safety, do not park in either parking lot and have your students walk away to you during dismissal. We appreciate your cooperation during the first two weeks.

~~We cannot run a successful building without all of your cooperation!~~

ELAR

In reading students will learn the difference between literary and informational text. In writing students will brainstorm ideas and draft.

6PM

25 – Spirit Day

– GMS/Wolf Pups

Math / Science / Social Studies

In math students conduct a survey to collect data, and use the data to construct a bar graph.

Students learn who their school was named after and what influence this person had on the community. They identify the characteristics of good citizenship and how ordinary people can display those traits, including truthfulness, justice, equality, respect for oneself and others, responsibility, and participation in government by being educated.
