

2nd Grade News

Week of September 28 - October 2

IMPORTANT INFO

- October:** 2 - GMS
8 - Chik-Fil-A Night
9 - GMS
12 - No School
23 - School Dance + GMS
23-31 - Red Ribbon Week
26 - Parent/Teacher Conference

REMINDERS

If your student buys lunch from the cafeteria, it is imperative that they have money on their account. The school will no longer allow students to accumulate charges on their account. Please check weekly to ensure they are taken care of.

ELAR

In reading students will determine the author's purpose: tell about, explain, and tell how.

Students will be learning about expository writing. Students will brainstorm topics of how to keep their body healthy.

Math / Science / Social Studies

In math students will tell time to the nearest 5 minutes.

Students will learn about the heart as part of the circulatory system. They learn that the heart is responsible for keeping the circulatory system going.

Students will discuss ways to keep the heart healthy so they have healthy bodies.
